Photoshoot Tips

A contact sheet with a selection of the best images will be sent to you to choose your preferred photos for editing.
Here are a few of our tips to help you feel confident and prepared for your shoot day.

WHAT TO WEAR

- Whatever makes you feel at the top of your game!
- Muted and neutral tones.
- Photos are in Black & White if that affects your choices.
- Consider layering different textures.
- Solid colours are preferred but a subtle pattern works.
- If you wear glasses, please clean the lenses. We'll need to be mindful of reflections as well.
- Jewelry should be kept simple and elegant. We don't want to distract from the main event: You!
- The backdrop will either be white or grey so consider that while deciding your outfit.
- Feel free to wear your uniform, company attire, scrubs or whatever you typically wear from day to day.
- Props or items contextual to your industry are an option as well if suitable for the shoot.

HAIR & MAKEUP

- Please come with makeup and hair ready to shoot.
- Remember, photos are in Black & White as that may affect your choice.
- During the shoot we'll team up to tame any flyaway hairs that pop up.

BE MINDFUL OF

- Bright white as main layer.
- Very bright or neon colors.
- Busy /distracting patterns.
- No logos, brands or registered trademarks (unless it's yours!)
