NEW COUNTRY 100.7

K 96.3 CLASSIC ROCK

Over the past seven years, Best of Kelowna has become a friendly, city-wide tradition that brings more joy and excitement to our flourishing city. It was originally created with a goal to offer residents an optimistic voice while also rewarding our city's favourite businesses, places and people. We couldn't be more proud of this feel-good local showcase and how it has positively affected the city.

Brought to you by KelownaNow, Country 100.7 and K96.3 Classic Rock, the seventh annual Best of Kelowna community awards has been groundbreaking with more nominations and votes year-after-year. We are ecstatic to see that this tradition is one that citizens and businesses look forward to each year and those that participate are excited throughout the whole process.

This year's Best of Kelowna perfectly portrays the city's unique lifestyle and prosperity with 147 sub-categories within the seven classic categories we all know and love: Wining and Dining, Health, Beauty and Style, Sports, Arts and Entertainment, Digital, Local Goodness and finally, Other Goods and Services. It is the perfect opportunity to celebrate our beloved businesses, people and places.

All submissions were meticulously tracked by the organizers. The process is always kept fair by requiring voters to create an account in order to vote — may that be through email or logging in with their Facebook accounts. This ensures that each person is only allowed to submit one vote per category.

In addition to showcasing the businesses, people and places who won Gold, Silver and Bronze medals, this magazine also includes stories and photos from Kelowna's local businesses, people and events. We want to show what makes Kelowna a wonderful city. For more information on Best of Kelowna and past highlights, head to bestof.kelownanow.com.

Thank you for your participation. We truly appreciate the support from you. KelownaNow would not be where it is today without our loyal audience. Enjoy!
